

CLIFTON HIGH SCHOOL CHRISTMAS PUDDING

We are delighted to be offering award-winning puddings from the Ultimate Plum Pudding Company specially labelled just for us. This small (but fully accredited) Cumbrian company has been making puddings for over 20 years.

They make puddings for some very prestigious retailers including Fortnum & Mason, some very fine hotels and for many fundraisers, including us. These are top of the range products, which you won't find in the supermarkets. They come nicely wrapped in shiny foil with our special label on. We highly recommend that you use them as Christmas gifts or buy one for yourself as a treat, and support us in the process.

The Ultimate Plum Pudding is an exceptionally light and delicious Christmas pudding. It is the company's flagship product and the winner of a gold great taste award!

All these products require cool and dry storage and keep for months. They don't need refrigeration but please don't store them in the cupboard by the oven. All puddings can be microwaved in about one minute. Overheating will dry the puddings - please be cautious if your microwave is fierce.
