Pupils at Clifton High School wear a uniform, which is distinctive and most importantly recognises them as a member of the school community. Our uniform means that pupils do not have to worry about peer pressure as everyone is dressed the same, generating a sense of belonging and identity. The wearing of a uniform prepares pupils for adulthood and the world of work.

Every pupil is expected to dress in accordance with the School Uniform Policy at all times. Pupils are ambassadors for the School when in uniform, both on and off the school premises. Failure to adhere to the School Uniform Policy will result in a sanction, in line with the Misconduct and Discipline Policy. Any requests for deviations to the Uniform Policy must be made to a Deputy Head of School.

- These guidelines are not exhaustive; the Assistant Head, Sixth Form, tutors and senior staff will give further guidance on suitability where necessary
- Tutor groups are encouraged to monitor standards of appearance in discussion with the tutor
- The tutor will make the final judgement. Occasionally it may be necessary to refer a student to the Assistant Head, Sixth Form, who will offer further advice. If a student persists in wearing unsuitable clothing a second time they will be sent home by the Assistant Head, Sixth Form with a letter and when possible with a phone call home to parents. Students may also be requested to change into more formal attire kept in School by the tutor team if they do not comply with these guidelines
