GCE RESULTS BY SUBJECT AND GRADE

The table shows the 2013 provisional results of full course GCSEs taken in England, Wales and Northern Ireland. Last year's results are in brackets. Results show the cumulative percentage of A\* achieved in each subject. The bars that pupils with A\* grades will also be represented in the A, B, C, D, E, F and G columns, pupils with an E are also represented in the F and G columns. The table also shows each subject as an overall proportion of GCSEs taken, giving an indication of the most/least popular courses.

Table showing GCE results by subject and grade for Arts and Design subjects, Additional Science, Biology, Business & Comm. Systems, Business Studies, Chemistry, Citizenship Studies, Classical Subjects, Construction, Design & Technology, Drama, Economics, Engineering, English, English Literature, Geography, French, German, and Health & Social Care.
