

## Senior Chamber Choir Italy Tour 2015

**July 2015**

In July, 67 girls from Coloma's Senior Chamber Choir went to Italy on tour. They had a wonderful time and sang beautifully despite the temperature ( in the high 30s each day!). They performed in some really prestigious venues such as the Basilica of Saint Anthony in Padua and St. Mark's in Venice.

The highlights were undoubtedly the fabulous swimming pool at the hotel and singing the entire repertoire on the way back from St. Mark's to the Piazza Roma in Venice much to the amusement of the Venetians and the many tourists! Many thanks to the staff who worked so hard on the trip and to the girls who were a tremendous credit to all at Coloma.
