

# New Jubilee Centre Officially Opened

## November 2015

On Wednesday 25th November a celebratory opening evening was held in the new Jubilee Centre. The evening also marked Coloma's 50 Year Anniversary at the Shirley site, in the Parish of Addiscombe and also Sister Sheila and Sister Felicé's Golden Jubilee Anniversaries of religious life. The centre, whose name is to commemorate these anniversaries, was blessed by Father Joe O'Connor during the ceremony that saw the unveiling of a wall plaque alongside photos of Sister Felicé, Sister Shelia and also a photo of the whole school community. The Jubilee centre will provide an excellent new facility for the school with a light and airy art studio on the top floor. The evening started with a thanksgiving mass in the chapel which also marked the retirement of Sally Dawson, Mrs Martin's PA for the last ten years. We wish Sally all the best as she embarks on the next stage of her journey and thank her for the wonderful contribution to Coloma she has made over the last decade.
