

Cranbourne Business & Enterprise College Admission Policy 2018-2019

This policy will apply to all admissions from 1 September 2018, including in-year admissions. It will be used during 2017-18 for allocating places for September 2018 as part of the main admission round for Year 7.

Hampshire County Council is the admission authority for Cranbourne Business & Enterprise College. The admission arrangements are determined by the County Council, after statutory consultation.

The published admission number (PAN) for Cranbourne Business & Enterprise College for 2018-2019 is **180**.

The County Council will consider first all those applications received by the published deadline of **midnight on Tuesday 31 October 2017. Notifications to parents offering a secondary school place will be sent by the County Council on 1 March 2018.**

Applications made after midnight on 31 October 2017 will be considered after all on-time applications have been fully processed unless exceptional circumstances merit consideration alongside on-time applications.

For the normal admission round, all preferences will be considered simultaneously and ranked in accordance with the admission criteria. If more than one school can offer a place, the parent's highest stated available preference will be allocated

Admission Criteria

If the school is oversubscribed, places will be offered up to the PAN in the following priority order.

1. Looked after children or children who were previously looked after (*see (i) in Definitions*).
2. (*For applicants in the normal admission round only*) Children or families who have a serious medical, physical or psychological condition which makes it essential that the child attends Cranbourne Business & Enterprise College rather than any other. (Appropriate medical or psychological evidence must be provided in support.)
3. Children of staff (*see (ii) in Definitions*) who have, (1) been employed at Cranbourne Business & Enterprise College for two or more years at the time at which the application for admission to the school is made, or (2) have been recruited to fill a vacant post for which there is a demonstrable skill shortage.
4. Children living **in** the catchment area of Cranbourne Business & Enterprise College (*see (iii) in Definitions*) who at the time of application have a sibling (*see (iv) in Definitions*) on the roll of the school who will still be on roll at the time of admission. [See 6 for additional children who may be considered under this criterion.]
5. Other children living **in** the catchment area of Cranbourne Business & Enterprise College.

6. Children living **out** of the catchment area of Cranbourne Business & Enterprise College who at the time of application have a sibling (see (iv) in *Definitions*) on the roll of the school who will still be on roll at the time of admission. [Where a sibling was allocated a place at the school in the normal admission round in a previous year because the child was displaced (see (v) in *Definitions*) from the catchment school for their address, the application will be considered under 4, above, subject to the siblings still living in the catchment area. In future normal admissions rounds a younger sibling will be considered to have been displaced where they were allocated a place at the school under this criterion as a consequence of their elder sibling's displacement and they remain living in the catchment area].

7. Children living **out** of the catchment area of Cranbourne Business & Enterprise College who are on the roll of one of the following linked schools: Chalk Ridge Primary School, Kings Furlong Junior School, Manor Field Junior School, Oakley Church of England Junior School or St John's Church of England Voluntary Aided Primary School.

8. Other children.

Definitions

(i) Looked after children are defined as those who are (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989). Previously looked after children are those who were looked after, but ceased to be so because they became subject to an adoption order, child arrangements order or special guardianship order. An adoption order is an order under section 46 of the Adoption and Children Act 2002 or section 12 of the Adoption Act 1976. Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

(ii) 'Staff' includes all those on the payroll of the school. 'Children of staff' refers to situations where the staff member is the natural parent, the legal guardian or a resident step parent.

(iii) The child's permanent residence is where they live, normally including weekends and during school holidays as well as during the week, and should be used for the application. The permanent address of children who spend part of their week with one parent and part with the other, at different addresses, will be the address at which they spend most of their time.

(iv) 'Sibling' refers to brother or sister, half brother or half sister, adoptive brother or adoptive sister, foster brother or foster sister, step brother or step sister living as one family unit at the same address. It will also be applied to situations where a full, half or adoptive brother or sister are living at separate addresses. Criteria 4 and 6 include children who at the time of application have a sibling for whom the offer of a place at the preferred school has been accepted, even if the sibling is not yet attending.

(v) 'Displaced' refers to a child who was refused a place at the catchment school in the normal admissions round having named it in the application and was not offered a higher named preference school.

Tie-Breaker

If the school is oversubscribed from within any of the above categories, straight line distance will be used to prioritise applications; applicants living nearer the school have priority. Distances will be measured from the Ordnance Survey home address point to the school address point using Hampshire County Council's Geographic Information Systems (GIS). For children living in Oakley and surrounding districts of the catchment area, distances will be measured as a straight line from home to the nearest college bus stop [*School specific criterion*]. The designated bus pick up points are Newfound: The Fox, East Oakley: Avon Road/Itchen Close, Marlborough Gardens, Oakley Lane, Croft Road, St John's Piece West, Pack Lane / Lightsfield and Oakley, Oakley Primary Schools, Oakley Pond, Hill Road/Barn Lane, Hill Road/St John's Road, Breach Farm Turn. Distances to multiple dwellings will give priority to the ground floor over the first floor and so on. On individual floors, distances will be measured to the stairs leading to the communal entrance. Where two or more applicants are equidistant, random allocation will be used to allocate the place. An explanation of the random allocation procedure is available on the County website.

Additional Information

1. Pupils with an education, health and care plan or statement of SEN

The governors will admit any pupil whose final education, health and care plan or statement of special educational needs names the school. Where possible such children will be admitted within the PAN.

2. Multiple births

Where a twin or child from a multiple birth is admitted to a school under this policy then any further twin or child of the same multiple birth will be admitted, if the parents so wish, even though this may raise the number in the year group above the school's PAN.

3. Fair Access placements by the local authority

The local authority must ensure that, outside the normal admission round, all children, especially the most vulnerable, are placed in school as quickly as possible. It may therefore sometimes be necessary for a pupil to be placed by the local authority, or a local placement panel acting on behalf of the authority, in a particular school even if there is a waiting list for admission. Such placements will be made in accordance with the provisions of the local authority's Fair Access Protocol. The Protocol is based on legislation and government guidance.

4. School Closures

In the event of a school closure, pupils from the closing school may be given priority for any school nominated as the receiving school. Specific arrangements will be determined by the Local Authority in accordance with the School Admissions Code and will be published at the time for the specific schools affected.

5. Waiting lists

When all available places have been allocated, waiting lists will be operated by schools on behalf of the local authority. Any places that become available will be offered to the child at the top of the list at that time. The waiting list is ordered according to the criteria of the admission policy with no account being taken of the length of time on the waiting list or any priority order expressed as part of the main admission round. Fair Access admissions and school closure arrangements will take priority over the waiting list.

The waiting list will be reviewed and revised –

- each time a child is added to, or removed from, the waiting list;

- when a child's changed circumstances affect their priority;

At the time of receiving an application decision from the County Council or a school, parents will be advised of the process for adding their child's name to a school's waiting list. Parents may keep their child's name on the waiting list of as many schools as they wish.

The waiting list will be maintained until 31 August 2019, at which point all names will be removed. Should parents wish their child to be considered for a place at the school in the following school year they should complete and submit a fresh in-year application in the August preceding the new school year. Schools will send a decision letter within the first 10 days of the new term.

6. School specific criteria

Governing bodies may apply to the Director of Children's Services to include in their school policy a criterion which they regard as essential if children are to be treated fairly in relation to clearly defined local conditions. The application will cover both the substance of the criterion and its position in the order of priorities. In the event of such applications, the Director of Children's Services will consult the Admission Forum and the criterion will then be determined by the Executive Lead Member for Children's Services. Any changes after such determination will be authorised by the Director of Children's Services in consultation with the Executive Lead Member.

7. Admission of children outside their normal age group

Parents can seek places outside their normal age group. Decisions will be made on the basis of the circumstances of each case; parents may be offered a place in another year group at the school.

8. Legislation

This policy takes account of all Equalities legislation, together with all relevant regulations and the School Admissions Code (published by the DfE in 2014).
