FASHION SHOW

Students recently walked to Basingstoke College of Technology to see the art and textiles exhibitions and to watch the fashion show that was hosted at the college. CBEC's students had the opportunity to see what they could do with textiles and it really encouraged the students with their own pattern cutting ideas

we are currently working on in class.

The day finished with students revisiting the sketchbooks of the college students to help with their own ideas and presentation of work

Comments from some of the students who attended:

"All the clothes were unique and different - something that I'd never seen before. It really will inspire me with my own work." - Phoebe Blackburn

"It was a great chance to see different people's designs and to learn what the textiles course will be like at college." - Rachael Gatfield

Dear Parents/Carers

As our first cohort of GCSE Photography students have just completed their course, and are eagerly awaiting the results of their external moderation, it is with great excitement that we can report the first professional success by a CBEC photography student. Olivia Jermy in Year 10 has been successful in getting one of her shots published in an international magazine! Watch out for the next edition of CCU to read more about this story and actually see the photograph!

In this week's edition you can read more about the exciting day our Year 10 students had visiting BCoT for the day. It was certainly a delight to hear back from the staff at BCoT that our students were, "extremely well behaved, a pleasure to work with and a real asset to our school." We are always keen to work closely with both Basingstoke colleges and are currently investigating a proposal from QMC for some of their Media students to develop a promotional video of CBEC.

Finally, I would like to congratulate our Year 11 students who have continued to approach their GCSE examinations in an extremely professional manner. To date their attendance, punctuality and behaviour throughout has been impeccable and they really are looking forward to the final exam next Tuesday 24th June.

After that they will just have their Leavers' Assembly and Ball to look forward to and we hope they can then enjoy a well earned break!

Yours sincerely

Betty Elkins, Headteacher

FILM CLUB: PRODUCTION PROGRESS

Update by Mrs Saunders

The film club is now on the wind down to the final production of our vampire film, *Huffy: The Early Years*. We were recently lucky enough to film some scenes in the school's fitness suite - for the *Eye of the Tiger* montage - and it went very well and lots of fun was had by everyone involved. Over the coming weeks we will be filming after hours and adding in the spooky bits! This time around the students have been doing all the hard work - filming, scripting and acting - so it is a production for students, *by* students!

BCOT TASTER EVENT

As part of the post-16 decision making process, Year 10 students visited Basingstoke College of Technology for a Taster Event on Friday 6th June.

The students had the opportunity to experience a number of workshops, giving them an insight into the various courses that will be available to them. They had the opportunity to choose from a wide range of workshops including Business Studies, Fashion Retail, Hospitality & Catering, Uniformed Public Services and Art and Design, to name but a few.

Tom Quante, the college's Student Recruitment and Outreach Coordinator, commented that Cranbourne's students were extremely well behaved. He found them a pleasure to work with and a real asset to CBEC.

The Year 10s really enjoyed the day and got to study subjects that they would not normally get the chance to. They found it both enjoyable and informative. Well done to Year 10 for such positive feedback and thank you to the teachers from Cranbourne who supervised the students at BCoT.

GIRLS' ROUNDERS UPDATE

Report by Miss Yacoby, Head of PE:

On Tuesday 3rd June the Year 9 and 10 Rounders teams set off to Bishop Challoner School for their next round of fixtures in the league. The year 9s played their first and only match of the night against Bishop Challoner with only six players, with Charlie Ward captaining the team, giving advice, coaching and motivating them throughout the game. The girls came away victorious winning 14-10.5 with Charlie scoring the most rounders and Sophie Casaletto winning Player of the Match, which was voted by the other team.

Next it was the Year 10's turn, lead by captain Verity Jackson, against Aldworth School. Aldworth proved to be a difficult side for the girls with some good batting and effective fielding. Unfortunately the girls lost this match 3.5-9.5 with Verity Jackson winning player of the match, again voted for by the other team due to her excellent bowling skills. The girls gathered and had a team talk and picked their heads up heading into their next match against Bishop Challoner school. With the year 9's winning their match, the girls went in feeling good. CBEC's fielding was strong and effective, counteracting Bishop Challoner's batting skills, but unfortunately we struggled to hit the ball consistently so we unfortunately lost again, 1.5-14.

Player of the match was again awarded to Verity for her fantastic bowling and captaincy. The girls fought hard in both their games, but let some of the game pressure get to them when batting. However, they are very proud of their achievements and teamwork throughout the game. Well done to Charlie Ward, Shamilla Mannan, Jaz Stanley, Katie Wallman, Katherine Witts, Sophie Casaletto, Verity Jackson, Izzy Scarr, Devon Gladdish, Georgia Taylor, Jodi Ashworth, Hayley Kendell, Margo Bogdanova and Lucy Swanell. Good luck to the girls in their final league matches in the lead up to their tournaments!

WORDS OF THE WEEK

Words of the Week are now used within the classroom by both staff and students. How many of this week's words can you also use at home?
