Dear Parents/Carers

Firstly I would like to congratulate our Year 11 students on how well they are doing with their GSCE exams, we fully appreciate that this is a busy and stressful time for them but we are very pleased with the way they are conducting themselves.

As the students have completed an increasing number of their examinations the number of changes to the normal timetable is rapidly growing. Consequently we have prepared a revised timetable for the students, please find this attached. You will note that this includes periods of home study starting, on Wednesday 8 June. We will ensure there are clear instructions for students, displayed in key areas of the College, explaining exactly where they should be.

Please note that all College rules continue to apply to Year 11 students. When in College students must be wearing full school uniform and, if they are not in an exam, they should be in their designated lesson or booster session. If they do not comply with the College rules they will be sent home.

Thank you for your continued support.

Yours faithfully
