

MFL/EG/HW/KL

MFL GCSE exams.

Dear Parent/Guardian,

I am writing to inform you that your son/daughter will be taking a GCSE Speaking exam on _____ . Students have been preparing for this exam in class for the past 2 weeks.

This is a real exam and represents 30% of the final exam grade. It is therefore important that students arrive on time and are fully prepared to their exams. In their last speaking exam, your child achieved a grade _____ .

I would be very grateful if you could support your child by practising with them and encouraging them to revise on a daily basis. Students were encouraged to see me any time this week to record their work.

Yours faithfully,

Eloise Gricourt,

Head of Modern Foreign Languages
