September 2016

Dear Parents

**YEAR 11 REVISION SESSIONS: MAXIMIZE POTENTIAL**

In order to assist students in their revision and preparation for the upcoming mocks and the exams in the summer term, we intend to run a Revision Day for Year 11 on **Friday 23<sup>rd</sup> September 2016**. A well respected company, "Maximize Potential", will run a series of sessions during the day to help to motivate your child to succeed and also provide them with various techniques to help them prepare for their exams effectively:

Students will experience a fast-moving and multi-media presentation with inspirational examples from people in the worlds of sport, business, music and education. They will be shown tried and tested strategies that can be used across the curriculum and that consistently raise grades

In addition to the student workshops there will be a **Twilight Session for Parents from 6.00-6.45 pm on Thursday 22<sup>nd</sup> September 2016** to give you additional advice on how to support your child at home, which I hope you will be able to attend. Refreshments will be provided on arrival in reception.

I would also like to ask you, where possible, for a voluntary contribution of £5.00 to cover the cost of the workshops and the revision material which students will use on the day and take home to work on for the final exams.

In order to assist with the organisation of the event, please can you complete the slip attached and ensure that your child returns it to their tutor.

If you have any queries or wish to discuss any aspect of the revision day, please do not hesitate to contact me.

Yours faithfully

Miss S Miller
