Headteacher: Mrs B Elkins (B.Ed, M.A. Ed)

13 October 2015

Dear Parent/Guardian

To enable your son/daughter to achieve the best grade possible at the end of Year 11, we subscribe to the following resources:

- 1) Show my homework – online publication of all homework set in school
www.showmyhomework.co.uk

All students have been introduced to this in lesson and have set up their own login and password. Students have also been given a parent pin to allow parents to login to see the homework – if you need more information about this then please contact your child's tutor.

- 2) Mymaths – mini lessons and online worksheets on all topics of the curriculum
www.mymaths.co.uk

All students have the school login and password and their own individual login to allow their work to be saved and tracked

- 3) Mathswatch – a collection of video clips that cover all topics at GCSE maths
<https://www.mathswatchvle.com/>

Students have been given their login and password during lesson time

- 4) Just Maths – an online collection of videos of the most popular GCSE questions, with examples and sample questions
www.justmaths.co.uk/online

Students have the school login and password for this resource

Please encourage your child to use these resources to complement their learning in lessons.

Yours faithfully

Louise Kirk
Head of Maths
