25th November 2014

Dear Parents/Carers,

I have over the past few weeks, received a number of calls from residents of Allenby Road concerned about the traffic and movement of vehicles at the start and end of the school day. In a number of instances, one witnessed by myself, this endangered the safety of other road users and pedestrians.

I would remind all parents of the code of practice when dropping off and picking up your child/children.

- Vehicles MUST always be parked legally so as not to cause obstruction.
- Please do not block residents' drives, even for 'just a minute'.
- Do NOT park too close to the main road junction (as per Highway Code)
- Please do not simply pull alongside the parked cars outside the main school gate to allow you children to 'jump in'.
- If your vehicle is very large, please consider parking a little further away.

Thank you for giving this your attention and for assisting us in ensuring the well-being of the students at Dormers Wells High School.

Yours faithfully,

Ms R Walsh
Headteacher
