Exam Answer

Structure

4 and 5 markers

Explanation

Beliefs, teachings & practices
DID YOU KNOW?
5 markers have the same structure as 4 markers. The only extra part is where you include evidence from religious scripture or text.
Example:

One Christian belief about the nature of God is that He is omnipotent. They believe His power is shown through the creation of the world.
Another Christian belief about the nature of God is that He is benevolent. They believe his love was shown through the sacrifice that Jesus made on the cross.
This is supported by the quote from the Gospel of John, “for God so loved the world that he gave His only begotten Son”.
