

# School Development Plan 2019-20

## The Poster Growing Together

### HOW WE WILL DO IT...

- By putting the children at the centre of everything we do
- Day to Day experience in our school reflects our shared vision
- Providing opportunities for a broad experience for every child
- Trust in each other and the school systems
- Developing our community as we grow

### YOU WILL SEE...

- ✓ Pupils engaged and enjoying their learning experience
- ✓ Communication with parents and carers
- ✓ Rewards for learners
- ✓ Health and wellbeing a priority
- ✓ Respect, determination, tolerance and trust

### YOU WILL HEAR...

- ✓ Pupil voice about their experiences
- ✓ An enthusiastic school community
- ✓ Positivity about our school

### Quality of Education

- High quality curriculum delivery
- Enrichment opportunities
- Children read widely and often
- Partnerships with others
- Building on strengths
- Aspirational expectations for all

### Leadership and Management

- Effective systems and structures
- Quality assurance
- Development of the school community
- Creation of an exceptional learning environment
- Focus on development for all

### Behaviour and attitudes

- Consistent routines and systems
- Partnerships with parents and carers
- Improved attendance and punctuality
- Education provision matched to the needs of our community

### Personal Development

- A focus on personal development through Characteristics of Effective Learning
- Focus on well-being and involvement
- Awards to demonstrate our commitment
- Global citizenship
