

Section 175 Education Act Audit Tool

This tool looks at all requirements under Section 11 Children Acts 2004, Section 175 Education Act 2002 and Keeping Children Safe in Education 2018. This audit requires evidence that this is in place. If any element is not in place, an explanation MUST be provided with a timescale to remedy the issue. Self-assess how you meet the standards and note the action required.
