

DRAYTON MANOR HIGH SCHOOL

ASSOCIATE HEAD

LISA MILLS

Dear Parents and Students

I am looking forward very much to working with Lisa Mills again on her return to Drayton Manor following her appointment by the Governing Body to the new post of Associate Head. She will be joining us at the start of the Summer Term.

Lisa Mills came to Drayton Manor in 2004 after reading French and German at the highly regarded York University. She had spent the year before her arrival here teaching in Japan. She had an exemplary career in the ten years she spent at Drayton Manor being promoted on a number of occasions and having significant responsibilities in positions such as Head of Sixth Form, and as a member of the Senior Leadership Team.

In January 2015 Lisa Mills was promoted to the post of Deputy Head in a school in an Inner London Borough and spent four years there working with two Head Teachers, one after the other. During that time she also studied for a Masters Degree in Educational Leadership at University College London.

I know she will do everything possible to nurture and build on our ethos using her professionalism and experience, gained here and from outside, to ensure that all our students at Drayton Manor receive an education that each year continues to be better and better. Having worked closely with Lisa Mills for many years I know she will do this to very great effect.

Yours sincerely

Sir Pritpal Singh  
Executive Trust Head
