

Tapestry Challenge!

It is recommended that your child should only have up to 1 hour on a digital device (e.g iPad, Tablet, Computer, Phone) per day.

For up to 30 minutes a day, support your child with math's online games

<http://www.ictgames.com/index.html>

Can you complete the tapestry challenge?

All you have to do is

- 1. Can you count to 20 and recognise the numbers 1 to 20 correctly.***
- 2 Hide items around your home or garden and see if your child can follow your instructions to find them.***
- 3. Encourage your child to write their name and recognise it when they see it written on things.***

Thank you
