

Tapestry Challenge!

It is recommended that your child should only have up to 1 hour on a digital device (e.g Ipad, Tablet, Computer, Phone) per day.

For up to 30 minutes a day, support your child with math's online games

<http://www.ictgames.com/index.html>

<https://www.phonicsbloom.com/>

Can you complete the tapestry challenge?

All you have to do is

- 1. Can your child draw a picture of their family. Remind them to think about how many eyes, ears, mouths etc they need. If this is too easy you could get them to think about adding arms, legs and clothes.**
- 2. Talk to your child about moving to reception soon. what do they think it might be like etc**
- 3. Encourage your child to estimate the number of item in a group without counting the items.**

Thank you
