

Tapestry Challenge!

It is recommended that your child should only have up to 1 hour on a digital device (e.g IPad, Tablet, Computer, Phone) per day.

For up to 30 minutes a day, support your child with math's online games

Can you complete the tapestry challenge?

All you have to do is

1. Encourage your child to copy letters of their name.
2. Play catch together.
3. Let your child help with household chores

We will share these.
