

Tapestry Challenge!

It is recommended that your child should only have up to 1 hour on a digital device (e.g IPad, Tablet, Computer, Phone) per day.

For up to 30 minutes a day, support your child with math's online games

<http://www.ictgames.com/index.html>

Can you complete the tapestry challenge?

All you have to do is

1. Question your child on why things happen and let them give you explanations e.g. who,what,when,how
2. Play I spy together.
3. Take a picture of your child having fun dressing up .

We will share these.
