

How to get the Tapestry app

You can download and install the Tapestry app like any other app,

Tapestry can be found on Google app store, Apple app store, Android app store.:

Search 'Tapestry EYFS' or 'Tapestry' and it should be simple to find the app – just look for the criss-cross Tapestry logo

Download and then install the app.

Login Information

In order to use Tapestry, your setting will have to create a user account for you on the system.

Your Username: This will be the email address your setting used to register you on Tapestry, for example `jparent@example.co.uk`.

1) You will receive an email generated by your setting that contains a link you can follow to set up your own password and PIN number for Tapestry. This link will expire one week after it has been sent.

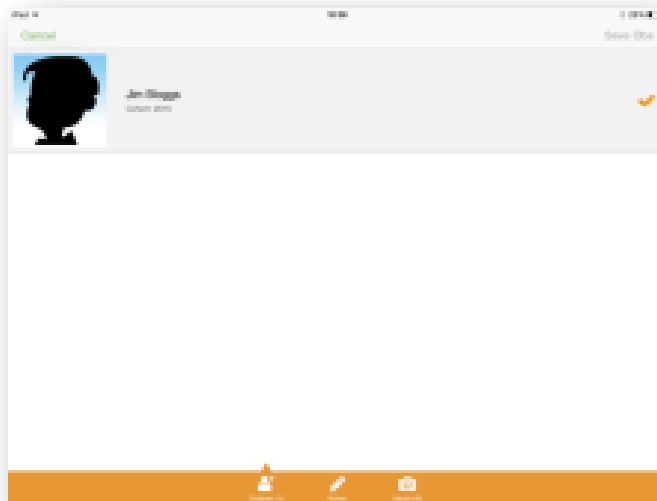

Using Tapestry

Login Screen

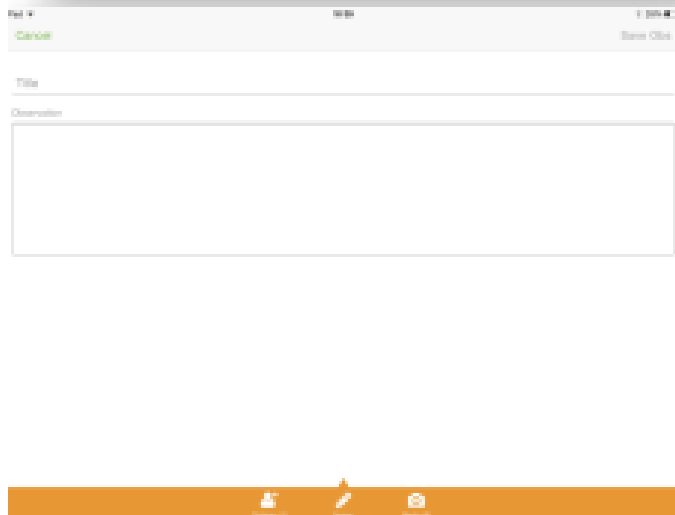

Adding an Observation

To add an observation, on the top of the Home screen of the Tapestry app press the **+** button.

First select which child you want to make an observation for. You will only be able to select your own children who you have been linked with on this Tapestry account.

Press the pencil icon to write the text of your observation.

Give your observation an appropriate title, and then enter what you want to write.

To add a photo or video to your observation, press the camera icon. Select 'take a photo' to take a photograph through the Tapestry app, and 'Record a Video' to record video through the Tapestry app. Please make sure your Android device permissions allow the Tapestry app to use the camera and the microphone.

If you recorded your media earlier or have taken it from another source press the 'Choose from Library' option.

When you are finished press the "SAVE" button to upload the observation. Depending on which options your setting has chosen, your observation may have to be approved by a member of staff before it is officially posted into your child's journal.
