

Tapestry Challenge!

It is recommended that your child should only have up to 1 hour on a digital device (e.g iPad, Tablet, Computer, Phone) per day.

For up to 30 minutes a day, support your child with math's online games

<https://www.phonicsbloom.com/>

Can you complete the tapestry challenge?

All you have to do is

- 1. Collect a few different objects from around the house and then order them in height or length.**
- 2. Use a computer / iPad to interact with age appropriate software.**
- 3. Practice rhyming words, songs and read or listen to rhyming stories.**

Thank you
