

# Tapestry Challenge!

**It is recommended that your child should only have up to 1 hour on a digital device (e.g iPad, Tablet, Computer, Phone) per day.**

For up to 30 minutes a day, support your child with math's online games

<http://www.ictgames.com/index.html>

<https://www.topmarks.co.uk/maths-games/3-5-years/counting>

For up to 30 minutes a day, support your child with phonics online games

<https://www.phonicsbloom.com/>

Can you complete the tapestry challenge?

All you have to do is

- 1. Practice recognising the value of different coins and sorting them.**
- 2. Talk about different occupations. Ask your child about what they think a postman, doctor, bin person and teacher does.**
- 3. Encourage your child to sing the days of the week song. Asking them questions like what day is it today, what day is it tomorrow etc.**

**Thank you**
