Dear Families

I hope you and your families remain well and safe.

Ms Raymond and Mrs Collins have been working extremely hard on our ECS Risk Assessment for the wider reopening of the school together with a group of Governors (some of whom are Parents) and Trade union representatives in-line with both local and national guidelines. I have just completed a Health & Safety walk around the primary buildings with this group. We have concluded that it is still not safe for the wider reopening of the school to pupils on Monday 8 June as previously expected. The group now considers a date of Monday 15 June to be achievable. There will be another Health & Safety inspection on Wednesday 10 June, when we will be able to provide you with a further update and the details of how the primary school will operate.

We appreciate that this may cause some inconvenience and if you would like to discuss this further please do not hesitate to contact me as usual by email.

My previous messages will provide you with details of support if required.

Yours sincerely

David Dickson
