Dear Parent/Carer,

At this time of year we would usually be sending out your child's end of year report. With the disruption we have experienced in the last few months we feel that we are not presently able to give you the sort of detail you would expect therefore we would like to postpone these reports until students are back in school with their teachers.

As the plans for September onwards become clearer, we will communicate the timing of these reports with you. Our aim is to provide a progress report once students are back in school and have had time to settle in. At this point we will provide details of how parents can arrange a discussion about the report with their child's teacher.

Many thanks for your continuing support.

Kind Regards

Kerry Ward
