September 8, 2020

Dear Parent/Carers,

In order to keep our school as safe as possible, we are constantly reviewing our practice. Movement around the school has been greatly reduced in an endeavour to keep interactions in communal areas to a minimum. However, our corridors are very narrow, and whilst each year group has their own entrances to school, the buildings and outside space, we feel that our approach to face coverings needs to change to further enhance safety at Eastbury.

From tomorrow we are strongly advising all staff and pupils in secondary school to wear a face covering in all communal areas, and from **Monday 14th September** this will be mandatory for all, except those that have medical exemptions. Face coverings should not be worn in classrooms, unless there is a medical reason. Face coverings should be appropriate. Should your child need a face covering, in the short term, please get them to inform their form tutor and a disposable one will be issued. Bandanas are not acceptable.

Many thanks for your continued support in these difficult times.

Kind Regards
Sharon Collins
Head of Secondary
