

# WHERE ARE THEY NOW?

These are confirmed destinations of Year 13 as of Results Day 2017. Of those coming to collect their results on 17 August, 88% have secured places at their first choice university.

With finances in mind, our students are increasingly applying to universities nearer to home or embarking upon Higher Level Apprenticeships. This year, our students have secured apprenticeships in a range of areas such as business administration, healthcare and pharmacy.
