

23 March 2017

Dear Parent/Carer

PPE Results

Students in Year 11 have just emerged from a busy schedule of Pre-Public Exams. In November, we published all results at once, and you should have received a report showing your son/daughter's grades. As the final exams approach, time is of the essence, so teachers have been feeding back to students as soon as they have marked the papers. Although we are not sending home a list of grades, we are collecting more tracking data just after Easter, so you should receive a final report at the start of May.

Easter Revision Sessions

When we return from the Easter break, there are just seventeen school days until the start of the main exam period (and any coursework or controlled assessments will need to be completed before this date). Fortunately, the Easter holidays are a good time to re-charge batteries **as well as get plenty of revision done**. We are collating a list of revision websites for our website which you may find useful.

With this in mind, we are running a series of revision sessions over the Easter Holidays which we expect all students to attend:

Monday 3 April	Catering 9.00 – 3.00	Product Design 9.00 – 3.00	Geography 9.00 – 1.30
	Psychology 2.00 – 4.30	Sociology 2.00 – 4.30	
Tuesday 4 April	Maths 9.00 – 12.30	English 1.00 – 4.00	
Wednesday 5 April	Science 9.00 – 1.00	Film Studies 1.30 – 4.30	

As the school kitchens won't be open, we would encourage all students to bring a snack and a drink – especially if they are staying for a whole day. If students are coming in for separate morning and afternoon sessions, they are free to leave the site at lunchtime, but we would expect them to return in good time for the afternoon slot.

Inset Day – Friday 28 April

You will have seen from our calendar that we have an Inset Day on Friday 28 April. With the exams approaching, this is another good opportunity for students to get some solid revision done. We shall be running revision sessions for some targeted students that day too and will be in touch nearer the time with details. Of course, if your son/daughter is not invited in but would like come into school to use our facilities, that would be possible.

Yours sincerely

J White
Vice Principal
