

Summary of the Health & Safety Meeting

Minutes previous meeting

Parents want to add 2 topics:

- Ergonomic aspects taken into consideration in the school policy (tables, chairs,...)?
→ Yes, test models will be provided by company so that students and teachers can try them out..
- Is the pool cleaned according to standards?
→ Yes, even more than standard, test results will be displayed in the entrance hall of the pool.

Update Safety & Security by the management:

Fiber ring:

- No further progress. Further works to be carried out in 2018.

Evacuation:

- Fire drill (unannounced) and whole school evacuation will be held this school year when the weather is better.
- Bus evacuation will be held this school year, also with better weather.

Magnetic locks:

- Everyone has received a badge now. Still some issues to be solved with the company.

Outdated gym supplies:

- Order of works to be planned will be made by Maurice and PE Section.

Installation of blinds in the classes:

- Meeting is planned with the company to see what is possible.

Parents:

Traffic:

- Mail will be send out to inform everyone about the rules on site. It will concern the use of phone, zebra crossings, bike path, Kiss & Ride zone.

Healthy food:

- School does not provide water fountains everywhere. During lessons in both primary and Secondary children will learn the healthy way of life.

Locker system:

- From year 1 children learn how to use their locker. Some teachers also allow children to leave their books in class.

Education social media and Fake news:

- ➔ Not in the syllabus, but worked on in ICT lessons, Science, Safer Internet Day in primary.

Safety:

- ➔ Electric room is always locked and only accessible by the workmen.
- ➔ Gas company currently investigating a gas smell when the bunsens are being used in the Labs. The gas is not being used in the labs and will not be used until the issue is resolved..
- ➔ Forest Primary will be cleaned up. We are in contact with the regie der gebouwen.

Staff:

Can the guards open the pedestrian gates for children going to JRC for projects?

- ➔ Yes, that is allowed.

Threat level commission is still at yellow.
