

May 1, 2019

Dear Parents of Eighth Graders,

As we head toward final exams, I wanted to remind you that the Eighth Grade students have a slightly different final exam schedule from the rest of the school.

Rather than sitting for five finals, Eighth Grade students will take only four. The science teacher has developed a final project that will take place over the final weeks of school.

The Eighth Grade exam schedule will look similar to the exam schedule for the Upper School, with the exception that the Math exam will be on Monday, June 3, and Eighth Graders will complete their exams one day early. This is the schedule:

Wednesday, May 29, 9:30 -11:30 AM

English Exam

Thursday, May 30, 9:30- 11:30 AM

Foreign Language Exam

Friday, May 31, 9:30 – 11:30 AM

History Exam

Monday, June 3, 9:30 – 11:30 AM

Math Exam

Tuesday, June 4

No school for Eighth Graders

Wednesday, June 5

Exam Make-Up Day

Saturday, June 8, 9:30 - 11 AM

Recognition Day

Final exam grades for Middle Schoolers are not listed on the report card. Instead, they count for 10 to 15% of the Third Trimester grade. Students can pick up their graded final exams on Recognition Day, Saturday, June 10.

If you have any questions or concerns, please feel free to contact me.

Yours,

Monica Hough
