04<sup>th</sup> November 2018

Dear Parents/Carers,

## IMPORTANT NOTICE

Further to the letter you would have been emailed on Friday, 02<sup>nd</sup> November 2018 from Colin Stewart (Operational Director –Education and Inclusion, London Borough of Redbridge), I write to confirm to that Fullwood Primary will be **OPEN** for children as usual on Monday 5<sup>th</sup> November 2018.

Following the installation of the generator, the school is able to operate without concerns about the safety of staff and pupils. I am aware that plans to remediate the electrical issues long term, have already commenced by the Local Authority, and will be shared with you once they are finalised.

I apologise for any inconvenience that you would have experienced because of our closure and assure parents that school leaders have done all that was possible to prevent the school being closed. However, the safety of staff and pupils is always of paramount importance to us and this closure was therefore unavoidable in these circumstances.

I know that parents have many questions that they would like answered regards the closure of school, so a meeting has been arranged for you on **Wednesday 07<sup>th</sup> November at 19.00** at the school. School leaders, Governors and the Local Authority Officers will attend this meeting to address your issues or concerns. Please refrain from directing your questions to school staff, they will only refer you to a member of the upper leadership team or advise you of this meeting.

I am aware that you are also concerned about how the school intends on making up for lost curriculum and learning time because of the closure. We will write to you in due course to advise you on how we intend to address this.

I once again apologise for any inconvenience this closure may have had on you and the children and want to re- assure you once again, that school leaders will always ensure that the health and safety of our children and staff are given priority in all we do.

I look forward to welcoming you and the children back to our Fullwood community tomorrow.

With all good wishes,

*Danvir Visvanathan*

(Executive Headteacher)
