

Number Trail Instructions

How to play

- Choose any number trail card to start.
- The bottom half of the card has a question on it.
- Work out the answer and record it in the first box of the number trail answer sheet.

The example question here is 8×4 , and the answer (32) is recorded on the answer sheet.

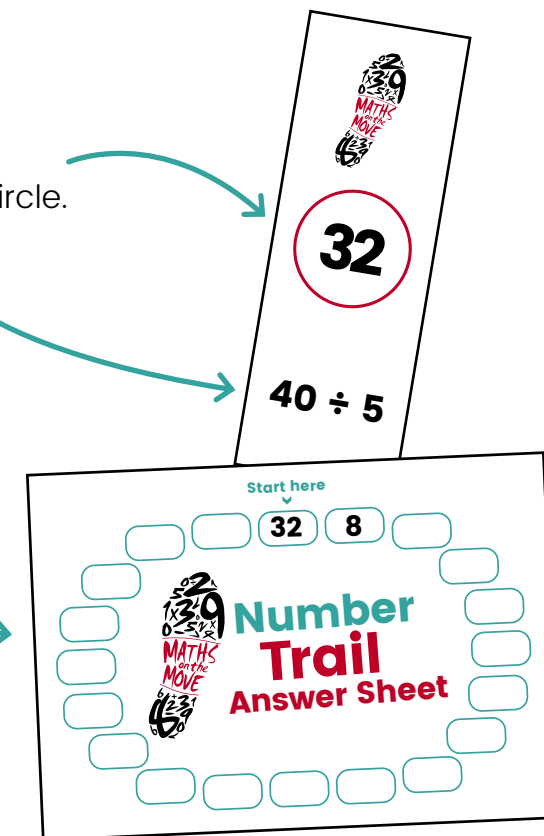

Preparation

- Cut out the number trail cards along the red dotted line. You should have 20 trail cards.
- Hide these randomly around the house.
- Give each child a number trail answer sheet.

- Find the number trail card with the answer 32 in the circle.
- This card has a new question which will lead to another answer.
- The game is finished when all 20 boxes are complete on the trail answer sheet.
