

Sunderland Parent Partnership Service

Sunderland Parent Partnership Service exists to improve the support and information for parents and carers of children with special educational needs and enable them to play a more active role in their child's education.

Working to support parents and carers of children with special educational needs.

The Parent Partnership Service is a service, which is here to:

- Explain about special needs procedures and processes
- Help parents/carers with the paper work
- Help parents/carers to express their views
- Support pupil participation in decision making
- Put parents/carers in touch with voluntary organizations or parents groups which can help to support them and their child
