

# OPTION CHOICES

Please read the Sixth Form Option Booklet very carefully before proceeding. It is also recommended that you speak to your subject teachers and form tutor before making any decisions.

Please complete your subject choices, **in order of preference** using the following criteria.

- All students must list THREE subjects and two reserves\*
- Students wishing to do A-level Maths and THREE others must be likely to achieve eight 9/8 (A\*/A) grades.

\*Two reserve choices are needed because:

- We need 15 students to run a course therefore all subjects are conditional.
- At present the possible combinations of subjects are not known.

**Please list in order of preference THREE or FOUR subjects**
