

15 October 2019

Dear Parent/Carer

Highcrest's Climate Change Awareness Day: Friday 25 October 2019

As part of a whole school drive to improve our carbon footprint we will be running a Climate Change Awareness Day on Friday 25 October. This will be a 'green' non-uniform day where students are asked to wear an item of green clothing on donation of £1. The funds raised will go towards a new range of eco recycling bins, allowing us to manage our waste more responsibly.

Students will remain on timetable and go to their normal lessons. However, each lesson will be delivered on an area of climate change whilst being linked to their respective curriculum area. Lessons will be delivered on topics such as climate change, sustainable living and pollution with the aim being to raise awareness for this whole school initiative.

I would like to thank you in advance for your support.

Yours sincerely

Miss R Mulryan
Eco-Ambassador
