Dear Parent/Carer

Science Club

The Science Club is an extra-curricular activity for all **Year 7** and **Year 8** students who express an interest in the sciences. As an after school activity, students will have an opportunity to participate in more detailed laboratory experiments and science projects.

Science Club will meet every **Tuesday after school from 3:10pm until 4:05pm** in **Science 1**, with the first meeting being on **Tuesday 17 September**.

Please complete and return the attached permission slip to Mr Mahmood or any member of the Science Department in order to attend the club.

Yours Faithfully,

Mr Mahmood
