

Wednesday 13 February 2019

Dear Parent/carer

As part of the Food course, your son/daughter is required to prepare and cook a meal for you. This will be the final piece of coursework needed to be completed. We are asking pupils over the half term period to prepare and cook a dish of their choice for their families.

So far pupils have demonstrated their abilities in our kitchens, we are confident that all of them have the relevant skills to be able to complete the task to your benefit. This includes relevant cleaning and safety precautions/methods.

Pupils will be required to prepare the dish from a range of ingredients. Pupils will need to complete the following:

- A detailed recipe that they have researched and prepared for, a dessert one is a good idea to help moderation
- Pictures of every stage including cleaning before (hands etc..) and after, as well as every stage of the cooking process
- A final photograph of them with their final dish, or with their name on a piece of card in front of the dish
- A storyboard using the pictures taken

An example storyboard and recipes are attached for reference.

This task is expected to be completed over the half term period and submitted (emailed) to either Mr Merrick: MerrickA@highcrestacademy.org.uk or Mr Stocking: NStocking@highcrestacademy.org.uk before 25 February 2019.

If there are any concerns regarding the task, please feel free to email either Mr Merrick or Mr Stocking for support. We hope that you enjoy the meal that your child is preparing for you and hope that this leads to increased help at home.

Thank you in advance for your support with this.

Kind regards

Mr Stocking -Vice Principal / **Mr Merrick** – Senior Head of Learning
