Dear Parent/Carer

Just a quick final couple of points before we leave for the Battlefields.

Please be in school by 7:00am as I would love to be able to get away early and see if we can catch an earlier ferry.

Please remember that your child cannot come without a passport and I will take this to look after as they step onto the coach. If you have medications please make sure you have them to hand to show us.

Can they please pack wellington boots in a separate plastic bag so we can access them during the first day.

You can track the trip if you like and see where we are. This may be particularly useful for the return journey. All you have to do is go to the link below:

Just a reminder that we have a number of pupils very allergic to nuts. We would very much appreciate it if no nuts are brought on the trip by students.

The emergency phone number to contact us abroad is 07845902610 and the number in the UK is 07845902604.

Looking forward to seeing you Monday morning.

Yours sincerely

Mr Garden
