

26 March 2019

Dear Parents and Carers

### **Year 11 Revision Sessions**

As the exams are fast approaching, this is a reminder of the revision classes that we run for our Year 11s free of charge. There have been a few changes to the timetable which is now on a weekly rota rather than fortnightly. Please see the timetable below.

Staff have kindly offered to give up their own time for these sessions and it is useful if pupils attend regularly to make this worthwhile. So I would like to ask you to encourage your children to attend as frequently as possible. We ask staff to keep registers and we are happy to confirm your child's attendance if you ask. It is useful if you ask your child what they learned in the revision session as it will help with their learning.

These sessions will be a mixture of exam skills and covering specific areas of content that pupils struggle with. Please note that at this stage of the year all pupils should be revising regularly at home.

	Monday	Tuesday	Wednesday	Thursday	Friday
*AM 7:30-8:50am	Maths/ Engineering	Geography	PE	Maths	
PM 3:10-4:10pm	English	Maths	Science	Geography, Music, ICT, Languages, Art, Tech	History, PE, Drama, Art, Business, Engineering
** 4:00 to 4:45pm	IT 9	IT 9	IT 9	IT 9 (From 3:10)	IT 9 (From 3:10pm)

Please remind your children that most teachers are more than happy to help at lunch and after school if your child asks for help.

Thank you for your support.

### **Mr G Garden**

\* Morning Maths and Geography sessions will run from 7:45am until 8:50am and pupils will not need to go to formal registration. Other sessions will finish at 8:30am.

\*\* IT 9 is a place where pupils can attend to study quietly and we ask that they refrain from using their mobile phones.
