Dear Parent/Carer

Free Careers Guidance Sessions for Year 10 and Year 12 Students and their Parents

The Highcrest Academy works closely with Adviza to provide professional, personal careers guidance and information for your children.

Many parents have said to us that they would like to understand the various options available to their children and how best to support them as they make choices about their future outside The Highcrest Academy and whether to apply for University, consider an Apprenticeship, a Traineeship or enter the world of work as an employee.

Adviza have chosen The Highcrest Academy for a new project which will help you support your children. This is not available to all schools. It aims to improve the impact of the personal guidance your child already receives by helping you to get actively involved and informing you about the latest developments.

The project consists of a series of 3 interactive early evening workshops that will take place at The Highcrest Academy over several weeks in preparation for a subsequent personal guidance session. Each workshop lasts for an hour and a half and can be delivered to parents of either Year 10 or Year 12 students.

I attach a leaflet produced by Adviza which gives further details.

If you are interested in participating, please complete the slip below and return it to me. Alternatively, you can respond by e-mail to:

EvansR@highcrestacademy.org.uk

Spaces are limited so an early reply is essential.

Yours sincerely

Robert Evans
Careers Leader
The Highcrest Academy

Please complete slip and return it to Mr Evans. Alternatively, you can respond by e-mail to: EvansR@highcrestacademy.org.uk

I am interested in attending the Careers Workshops at The Highcrest Academy
