

HELP YOUR CHILD ACHIEVE THEIR CAREER GOALS

Invitation to Parents/Carers of Year 10 students.

Adviza is running three workshops for Parents/Carers at The Highcrest Academy. The first session is aimed at Parents/Carers only and the remaining two will include your son/daughter.

Session 1: How to be a positive support to your son/daughter

Understand the influence you have on your son/daughter's decision making and explore both positive and negative behaviours/approaches through the introduction of three simple rules:

- Be involved but not in control
- Advise but do not decide
- Support but do not dominate.

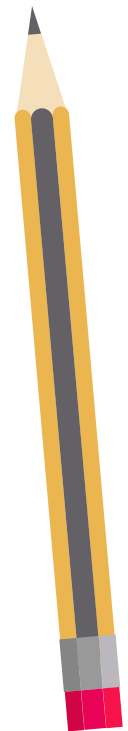

Session 2: Self-awareness & decision making

Gain a shared understanding of your son/daughter's likes, dislikes, interests, strengths and weaknesses through a series of paper based and online exercises that you'll complete together.

Prepare for those important decisions, review and combine the Learning from previous sessions and identify outstanding issues, concerns or areas of uncertainty.

Sessions 3 : Which way now?

Get a full understanding of the range of progression pathways, options and Labour Market Information to gain a shared understanding of the pros and cons of each.

Following the workshops, your son/daughter will have a personal careers guidance interview, which you will be invited to attend. An action plan will be drawn up giving clear steps for your son/daughter to achieve their goal.

Places are limited and will be allocated on a first come first served basis.
