

We are a successful structural and civil engineering consultancy based in Henley-on-Thames.

As a forward-thinking practice, we are entering an exciting stage of development and are expanding. We are undertaking high profile commercial and residential projects, including new builds, refurbishments and extensions.

We have a broad client base including valuable private clients and long standing relationships with major national clients such as Whitbread plc, Merlin Entertainments, Marston's Inns and Taverns, Costa Coffee, Galliard and Cala.

Our continued growth means we are looking for enthusiastic and ambitious 'A' Level school leavers to join our organisation as degree apprentice structural and civil engineers. **Join us for a career in a highly-respected organisation and play a major role in our continued success.**

Legoland Hotel

## JOIN US AS A DEGREE APPRENTICE STRUCTURAL OR CIVIL ENGINEER

A degree apprenticeship combines the undergraduate university experience with paid employment and work experience. You will gain a civil engineering degree from University of West London, attending university 1 day a week for 4 years but with zero student debt. More information on the degree : <https://www.uwl.ac.uk/for-business/apprenticeships/applicants/our-apprenticeships/degree-apprenticeship-civil-engineering>

Ideal candidates will have 3 good 'A' Levels (or BTEC equivalent) including at least a B in Maths and will be looking for a dynamic workplace that provides an outstanding career opportunity. You will have good communication skills, able to work flexibly in a team and be a hard worker.

Our newly refurbished Henley office

Your role will entail working on all aspects of projects from scheme design, through to construction on site and managing client relationships. You will have the opportunity to work in both civil and structural engineering disciplines and specialise accordingly. You will be supported with on-the-job training and mentoring from our team of experienced, industry-leading professionals at our office in Henley on Thames.

The benefits package includes: £12,500 p.a. salary with 6 monthly reviews, all university fees paid for, 23 days leave, staff bonus and company pension.

If this sounds like the work environment and career opportunity you are seeking, then we would love to hear from you. **Please send your CV and covering letter to [dawn.plant@simpsoneng.com](mailto:dawn.plant@simpsoneng.com)** .
