Welcome to the latest Kier Newsletter for Highfield School. These regular publications will keep you updated with progress on site. Kier Construction operates throughout the UK. This project is delivered by the Eastern region, and managed out of our Witham Office.

Progress on site to date

- Structural steelwork to all three blocks has been erected and concrete planks installed.
- External wall insulation is complete to block C with brickwork to follow.
- Roof insulation and coverings nearing completion on Block C.
- Internal partition studwork has been erected in blocks B and C.
- First fix mechanical and electrical services have been installed on the main service routes in Block C.
- Fire protection to the structural steel work in all blocks is complete.

March 2016
Considerate Constructors Scheme

The site is registered with the Considerate Constructors Scheme, which is an independently audited assessment of a project's consideration for the local community, its operatives and the environment.

As part of our commitment, we will do what we can to minimise disruption from the project. If you have any concerns, please do not hesitate to contact us.

Car Parking

Kier staff and contractors park in dedicated parking facilities next to the site offices. Parking on Highfield and Sollershot Way is strictly prohibited.

Deliveries and site traffic

Our deliveries are all planned to avoid busy school starting and closing times of 08:00 to 09:15 and 14:45 to 15:45. All deliveries will be held away from the area during these times – with off-site HGV parking available at Baldock Service Station at A1(M) junction 10.
