

Consultation Meeting for Parents

and Children's Centre Users

Thursday 31st January 9.30am - 11.00am

Hitherfield Children's Centre

ultatui

All parents and carers are invited to join the meeting about the consultation process for the future of Lambeth Children's Centre services.

It will be a good opportunity to get the answers to any questions you may have and discuss current issues with local councillors and other key Lambeth representatives.

We shall be providing light refreshments and a limited crèche. Please book a place early to allow us to plan for the number of people expected and accommodate you.

It would be helpful if you could arrive promptly to ensure we are able to start on time and make the most of the time available.

For more information or to confirm attendance please speak to Phyllis or Lisa in the Children's Centre or call the Centre directly on 0208 835 9569.
