The children will walk around the allotments. They will look at, touch and smell the different fruits and vegetables growing there. They may dig up some vegetables and search for different mini beasts in their natural habitat. They may eat some fruits or vegetables.

FURTHER INFORMATION AVAILABLE FROM:

Mrs Shah.

TRAVEL ARRANGEMENTS (including lunch and clothing):

The pupils will travel by walking.

Your child will need to wear the correct school uniform and suitable footwear for rough paths. Can they also bring a lightweight waterproof jacket should it be wet or wear sun cream and a sunhat if sunny. The children will be given a high visibility jacket so they can be easily identified on the journey.

COST DETAILS & PAYMENT ARRANGEMENTS:

There will be no charge for this trip.

VOLUNTEER HELPERS:

We will require a minimum of 4 adult helpers per class to make this a safe and enjoyable visit. It is preferred that adult helpers hold a DBS check. We can accept offers of help from those without a DBS check to ensure this trip is able to go ahead. Unfortunately we will not be able to accommodate younger siblings on this visit.

Please let your child's class teacher know if you are able to help on this trip. Thank you.
