26th June 2018

Dear Parents/Carers,

The Hobgoblin Theatre Presents

On Thursday 19th July 2018

We have invited The Hobgoblin Theatre Company into school on the morning of Thursday 19th July 2018 to give two performances of 'The History of Maths.' This play is written to inspire and educate children about the importance of Maths in everyday life. Using historical events like the building of the Pyramids, the Wives of Henry VIII and the sinking of the Titanic, the performance will illustrate how Mathematical techniques have been utilised throughout the ages in an entertaining and engaging way that will inspire your children to learn more!

We are asking for a contribution of £2.00 per child to cover the cost of these performances. Please complete the permission slip below and return this with your child's £2.00 in a sealed envelope marked clearly with your child's name, class and 'The History of Maths' and place it in the Finance Post Box located in the Reception Foyer no later than Friday 13th July 2018. Please note that we kindly request the exact cash (no cheques) payment for this performance as unfortunately we can no longer provide change.

To continue to provide opportunities for your children we do ask that every child brings in their contribution towards the cost of this theatre visit.

While the school remains committed to providing the children with a wide and varied mix of visitors and trips during their time at Hobbayne Primary School these are only able to happen with your support.

Yours sincerely

Mrs S Yoosuf
Headteacher

To: Mel Moore – School Business Manager
