13th June 2018

Dear Parents and Carers,

Maths Curriculum Evening for Parents and Carers Wednesday 20th June 2018 at 7.00pm – 8.00pm

You are invited along to our Maths Curriculum Evening for Parents and Carers on Wednesday 20th June at 7.00pm in the Main School Hall. The evening is designed to give you information about a variety of aspects of maths. This will include examples of the methods used in class to solve arithmetic and reasoning questions, physical and online resources, and other useful strategies and information that will help build your child's maths confidence and skills. We will also provide a walk-through of the ways that our excellent online platform, **Mathletics**, can be best utilised.

We hope you will find the evening useful and the resources and ideas we share will be beneficial to you when supporting your child at home through the summer holidays and beyond.

We welcome parents and carers from the Reception Year Group, in preparation for Year 1 in September, to Year 6. Children are able to accompany their parents as there will be some practical resources they can experiment with, however, we would ask any children attending are seated quietly during the presentation.

If you would like to come along, please can you kindly complete the slip below and return to the School Office by Monday 18th June. Please advise how many people will be attending so that we can prepare chairs and resources.

Yours sincerely,

Mr P Savage and Mrs F Linney
Phase and Maths Leaders

Please return to the school office by Monday 18th June 2018

I am the parent/carer of _____ in _____ class.

I will attend the maths curriculum evening on Wednesday 20th June at 7.00pm in the Main School Hall.

Number of people attending: _____

Signed: _____ (Parent/Carer)
