The aims of our schools are:

- To have high expectations of all children and to teach them to be confident, autonomous learners
- To provide a broad and balanced curriculum, giving every child opportunities to maximise their learning potential
- To provide a safe, secure and supportive learning environment
- To be inclusive of all social and cultural backgrounds and provide equal opportunities for the whole school community
- To maintain effective partnerships between the home, school and local community

How Honeywell pupils compare at Key Stage 1

In 2017/18, 97% of children achieved the required threshold in the Year 1 phonics test, 9% higher than the national figure. Further, the vast majority of children in Year 2 achieved the EXS+ in the nationally set SATs. In fact, a significant number of children were assessed as working above this age-related expectation at Greater Depth (GD) in Reading (34%), Writing (38%) and Maths (43%). There is no GD assessment in Science. Overall, there was a 22% increase in those achieving GD over previous years. Honeywell outperformed the borough and national results in every area – we are delighted the children performed so well.

How Honeywell pupils compare at Key Stage 2

In English, the percentage of children achieving EXS+ in Reading was 91%, with 55% of children achieving GD. In Writing, 84% of pupils achieved EXS+ with 46% achieving GD. Moreover, 92% of pupils reached EXS+ in Grammar, Punctuation and Spelling (GPS) with 50% of the cohort gaining GD in this area. Lastly, in Science 96% of pupils reached EXS+.

The final bars of the charts below show the combined results of all three core subjects. 90% of pupils achieved EXS+ in Reading, Writing and Maths and 24% of pupils achieved GD across all three subjects. An early and simple examination of the data indicates Honeywell is in the top 5% of schools across the country (FFT data 2018). Well done and thank you to all concerned.

JUNIOR SCHOOL

This has been another very good year for the school as the results detailed below record.

The school achievements were substantially above both the local and national results and indicate that the pupils have continued to achieve at a very high standard. Place of pride must go to the pupils’ results in Writing, with 46% of the children gaining Greater Depth (GD) in this area – this was a defined school priority last year.

Also of note, was the number of children reaching the Exceeded Standard (EXS+) in Maths. 98% of pupils reached this level. A fantastic achievement.
