Dear Parents/Carers,

As part of the PSHCE (Personal, Social, Health and Citizenship Education) Curriculum, the children will be taught Relationship and Sex Education at an age-appropriate level, this term.

In Reception the children will be taught:

- to recognise and describe the difference between living and non-living things
- to understand that living things are male or female, which makes them different
- to understand that all living things come from other living things
- to recognise which animals have babies, and match babies to their mothers
- to understand that they are born, have grown from being a baby and will grow into an adult
- to know that as they grow up they will develop and be able to do new things
- to discuss appropriate and inappropriate touching

The teaching materials are available to view on request and class teachers will be able to answer any questions regarding the lessons taught.

If you have any further queries, please do not hesitate to contact me.

Thank you

Ms J Ndisang

Jo Ndisang
Pastoral Care and Pupil Well-being Co-ordinator

 **Article 5:** We must respect the rights and responsibilities of parents/carers to provide guidance and direction to their child as they grow up, so that they fully enjoy their rights. This must be done in a way that recognises the child's increasing capacity to make their own choices.

Headteacher: Ian Hyde
Deputy Headteachers: Louise Bryan, Tara Magee and Kris Clark
