Dear Parents/Carers,

As part of the PSHCE (Personal, Social, Health and Citizenship Education) Curriculum, the children will be taught Relationship and Sex Education at an age-appropriate level, this term.

In Year 1 the children will be taught:

- to discuss the difference between girls and boys
- to name male and female body parts
- to understand that as they grow their body will change
- to explore what people can and cannot do at different ages
- to understand that they are growing and changing and as they grow up they will be able to do new things
- to look at family relationships, creating a family tree
- to discuss appropriate and inappropriate touching

The teaching materials are available to view on request and class teachers will be able to answer any questions regarding the lessons taught.

If you have any further queries, please do not hesitate to contact me.

Thank you

Ms J. Ndisang

 **Article 5:** We must respect the rights and responsibilities of parents/carers to provide guidance and direction to their child as they grow up, so that they fully enjoy their rights. This must be done in a way that recognises the child's increasing capacity to make their own choices.
